I'm going to Walney Library

Before I go to the library

I'm going to Walney library

If I am nervous about going I can talk to someone and ask questions first
I can call 01229 404127

I can ask the person for a tour of the library

About the library

There are people who work at the library who I can talk to

The library is usually a quiet place where people talk quietly, relax and read books

Sometimes it might be noisy. If it is noisy I can talk to a librarian

How I become a member of the library

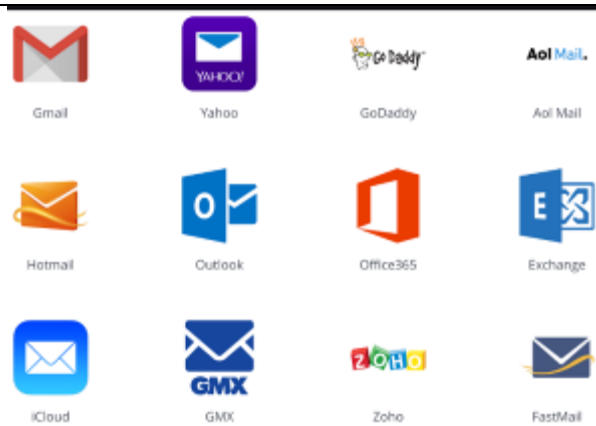

When I get to the library I will see a desk

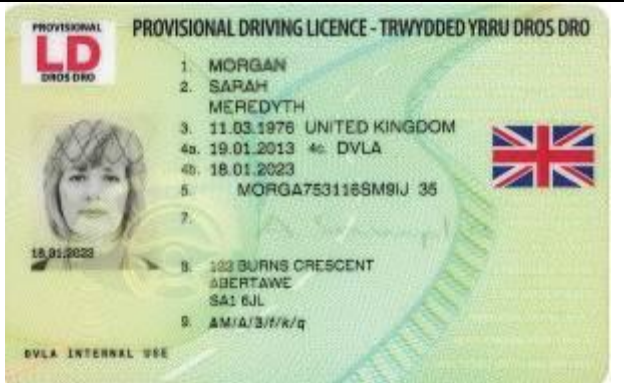

I will talk to someone who works there to become a member of the library

I will tell them my name, address, date of birth, telephone number and email address

I will show them identification. This can be a driving licence, bank statement or household bill

I will sign a form, this makes me a member of the library and I will be given a library card

When I visit the library

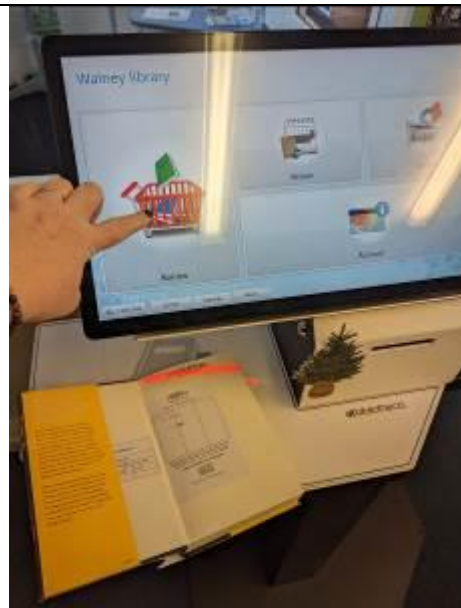

In the library there will be shelves of books and some audiobooks

I can sit on one of the sofas to read a book

I can borrow a book or audiobook and take it home with me

If I want to borrow a book I will use the self service machine or I can ask a member of staff

The staff behind the desk will show me how to borrow the book or audiobook and tell me when I need to bring it back to the library

The library will also have some computers

The computers are free to use for up to 2 hours a day with my library card

The library will also have a sensory toys and fidgets I can use

When I have finished I will leave the library by pressing the button
