Describe the steps you intend to take to promote the four licensing objectives:

a) General – all four licensing objectives (b, c, d and e) (please read guidance note 10)

Designated Premises Supervisor nominated;
Sufficient number of staff on the premises to cover

b) The prevention of crime and disorder

Access to the event is controlled and limited to two entry points which are manned by show stewards. We charge an admission fee, which in practice limits attendance to those genuinely interested in the event. Unaccompanied children are not allowed entrance.

The field itself is managed by show marshals and stewards, identified by show branded hi-viz waistcoats.

A Refusals Register and Incident Report Register will be kept. Such documents will record incidents of staff refusals of alcohol sales to under-age or drunk people, as well as incidents of any anti-social behaviour and ejections from the premises. Any seizure of drugs/weapons or fake identification

Both Refusals and Incident Report registers shall be kept for at least 1 year and they will be made available immediately upon a reasonable request from any Responsible Authority. [For the avoidance of doubt, the one-year period relates to each respective entry in the log book and runs from the date of that particular entry]:

c) Public safety

This is a static car show. Classic car owners have to prebook their entry and are not allowed on the field without confirmation of this. Exhibitors cars are escorted to their parking area by a team of marshals. Exhibitors cars are prohibited from leaving before the end of the show.

Public access and parking is managed by show stewards. Public parking is on a dedicated part of the field, fenced off from the remainder of the show field.

First Aid provision is by the St John's Ambulance, whilst all show officials are briefed on how to respond to an incident.

More information, including risk assessments, can be found in our Event Management Plan.

d) The prevention of public nuisance

Access to and from the show field is clearly signposted. Residents along the adjacent access roads are written to by our chairman ahead of the event, alerting them to it and apologising for any inconvenience caused on the day.

Following the event, the field is cleared within 24 hours, any litter is collected and disposed of by the show organisers in conjunction with W&F Council.

Self-contained trailer toilets are provided, including disabled toilets.

e) The protection of children from harm

Unaccompanied children are not allowed entrance. There are no adult, or age sensitive, attractions at the event. Alcohol is sold from one outlet, by a vendor in possession of a personal licence.

We have a safeguarding policy which includes guidance on protecting children and vulnerable adults. This includes providing an event's control marquee, where lost children can be taken, which is staffed by female show committee members.

The licence holder will operate a Challenge 25 Age Verification Policy and display prominent signage at the point of sale indicating that the Challenge 25 scheme is in operation.

The only acceptable proof of age identification shall be a current Passport, photo card Driving Licence or identification carrying the PASS logo or military id (until other effective identification technology e.g. thumb print or pupil recognition, is adopted by the Premises Licence Holder)

 9. Please give information about anything intended to occur at the premises or ancillary to the use of the premises which may give rise to concern in respect of children, regardless of whether you intend children to have access to the premises, for example (but not exclusively) nudity or semi-nudity, films for restricted age groups or the presence of gaming machines.
 10. Please list here steps you will take to promote all four licensing objectives together.
 11. The application form must be signed.
 12. An applicant's agent (for example solicitor) may sign the form on their behalf provided that they have actual authority to do so.
 13. Where there is more than one applicant, each of the applicants or their respective agent must sign the application form.
 14. This is the address which we shall use to correspond with you about this application.
 15. Entitlement to work/immigration status for individual applicants and applications from partnerships which are not limited liability partnerships:
 - A licence may not be issued to an individual or an individual in a partnership which is not a limited liability partnership who is resident in the UK who:
 - does not have the right to live and work in the UK; or
 - is subject to a condition preventing him or her from doing work relating to the carrying on of a licensable activity.

Any licence issued in respect of an application made on or after 6 April 2017 will become invalid if the holder ceases to be entitled to work in the UK.

Applicants must demonstrate that they have the right to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

They do this in one of two ways:

- 1) by providing with this application, copies or scanned copies of the documents which an applicant has provided, to demonstrate their entitlement to work in the UK (which do not need to be certified) as per information published on gov.uk and in guidance.
- 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

Home Office online right to work checking service.

As an alternative to providing a copy of original documents, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth, will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be shared digitally. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copies of documents as set out above.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.
