

Adult LD Hospital Passport

University Hospitals
of Morecambe Bay
NHS Foundation Trust

Do you or somebody you know have a learning disability?

The Hospital Passport gives medical staff important information about you including any Reasonable Adjustments you may need to ensure that you get the best care, given in the right way for you.

Hospital Passports have helped many people access excellent quality healthcare that is designed to meet their specific needs, if you would like to complete a passport you can access via the link or scan the code or go on the UHMBT website and search for Hospital Passports.
