

Waste and Recycling Collection Calendar

April 2025 to March 2026 South Lakes Area

Dear householder

This is your new waste and recycling collection calendar. We want your collection service to be as convenient as possible. Below is some guidance and tips to help you manage your waste and recycling.

- ✓ Place your waste or recycling containers for collection at the kerbside before 7am on the collection day.
- ✓ Please take care not to cause any obstruction and make sure your bins, boxes or bags are clearly visible to the collection crew.
- ✓ Please make sure all recyclable materials have been rinsed and are free from food waste; which will help keep your containers clean and avoid attracting wildlife or vermin.
- ✓ Squash plastic bottles and cans as much as possible. There is no need to remove the labels.
- ✓ Flatten card as much as possible.
- ✓ We cannot take larger pieces of card that are not in the recycling box due to the capacity of the vehicle.
- ✓ Please take larger items of card to your local Household Waste Recycling Centre or recycling banks.
- ✓ Please only present your waste or recycling in the containers provided by the council.

Please consider the environment and reduce, re-use and recycle your waste.
